(weeks of September 14 and 28, October 12 and 26, November 9, respectively).

Answer questions, take a quiz in Tutorials 2, 4, 8 and 10
(weeks of September 21, October 5, November 2 and 16, respectively).

Tutorials start the week of September 14.

Grading: Quizzes (4) - 20 %
Midterm - 40 %
Final exam - 40 %

Comments: All course materials can be found at

https://robertosburn.github.io/ma2071_26.html

The in-class midterm exam will take place on Friday, October 23 at 9am in Kane G01. The final exam will be scheduled at a later date this term.

Tests and quizzes will be returned promptly.

There are no make-up midterm exams* or quizzes* and the midterm is not curved.

There is no lecture or tutorial on Monday, October 26.

Keys to Success: Take notes! Ask questions! Do the exercises **before** the tutorials! Talk to me!

GOOD LUCK THIS TERM !!!
